THE ART OF WINE

La Piu Belle is an homage to art and to the artistry of winemaking at the VIK Vineyard. Located two hours south of Santiago, Chile, the vineyard is the brainchild of Alex and Carrie Vik, the pioneers behind some of South America's most luxurious resorts. La Piu Belle ("the most beautiful") is their latest offering, a harmonious blend of cabernet sauvignon, syrah, carménère, merlot, and cabernet franc. It also features something rarely seen in the finicky world of high-end wine: a label that wraps the entire bottle. Gonzalo Cienfuegos, the Chilean artist best known for his figurative expressionist paintings, was chosen by the Viks to paint the label, each one applied by hand.
