PICTURE-PERFECT POOLS

Dip into Latin America's most stunning pools with unique panoramas

Sorrel Moseley-Williams
4 September 2015

When you require more than good looks from a swimming pool, cast an eye upon these stunning Latin American baths. From Patagonian fjords to bustling cityscapes, each pool offers up a unique vista that crawlers and dippers will want to dive into, time and again.

VIÑA VIK, MILLAHUE, CHILE

Picture-Perfect Pools

< | >

Cantilevered, and with a mountainside location, the infinity slate pool at Alexander Vik's latest hotel venture is breathtaking. Surrounded by mountains, Cabernet Sauvignon vineyards and a reservoir in Chile's Millahue Valley, only a glass of Viña Vik's own red blend could possibly add finesse to this poolside experience.
