WINTER 2017

What's WHAT.

Food and Drink

Ideally positioned in Chile's picturesque Millahue Valley, with the Andes Mountains in the distance, the 11,000-acre Viña Vik Vineyard and Winery has produced a bold estate-grown wine, **La Piu Belle**. On the bottle is a handcrafted surrealist work by Gonzalo Cienfuegos that pays homage to the art of winemaking. Available in limited quantities. \$75/bottle.
