If you're like us, just any old—or new—hotel won't do. We want to stay in a place with charm and character, excellent service, delicious food, and the kind of atmosphere that never quite lets you go. Here, published for the first time, is the *T&C* list of the 100 most wonderful hotels in the world, personally vetted by an exclusive roundtable of consummate travel insiders who regularly journey the world to discover the very best experiences out there.

They are all members of a highly exclusive club, **Wendy Perrin's Wow List**—which is harder to get into than Harvard. For more details on each, and to book with them, if you wish, go to WendyPerrin.com. Here, their specialties, in brief.

MAITA BARRENECHEA, MAI 10 Exceptional trips throughout Argentina, Chile, and Uruguay. MAITA@MAI10.COM.AR, 011-54-11-4314-3390

VINA VIK, Milahue, Chile "Overlooking three valleys in the Andes and vineyards as far as you can see, the hotel has a strong art concept, like the Vik properties in Uruguay. Everything is unconventional as can be, like the bathtubs made by Uruguayan canoe builders. And then there's the winery itself, an architectural wonder."
